'Snowdrift' Ornamental Apple

Zone: 4-8

Height: 25'

Width: 22'

Crown: Oval, round
Growth Rate: Moderate
Soil: Very tolerant
Drought: Moderate tolerance
Fall Color: Bright yellow

'Snowdrift' Apple is appreciated for its exceptional spring floral display and its fine form, bright green foliage and fall color. Flower buds start out pinkish, then turn virginal white as the flower opens. The fruit is orange, small and persistent. Birds will take care of the mess for you. Fall color is yellow. 'Snowdrift' has good resistance to Scab, more so to Fireblight, and has excellent resistance to Mildew and Rust. 'Snowdrift' is one of the more popular white flowering ornamental apples on the market.
